

4N1 Filtered Cold & Steaming Hot Water Tap

Filtered cold & steaming
hot water, plus regular
hot & cold water

Eliminating the need for a kettle, the collection includes our impressive award-winning* 4N1 Touch tap, which instantly and safely dispenses filtered steaming hot water, filtered cold water, plus regular hot and cold water.

Its innovative illuminated touch button control also gives you instant filtered drinking water. Perfect for reducing the need for bottled water or cumbersome water jugs.
